**Event report of Professional development program**

**DATE: 21-10-2020**

**TITLE: "DIAGNOSTIC IMAGING IN PERIODONTICS"**

**PROGRAM SUMMARY** -The professional development program titled "Diagnostic Imaging in Periodontics" was conducted on 21/10/2020 in Navodaya dental college Raichur. The speaker for the program was Dr Asif, MDS, working as a Professor -Department of Periodontics, NAVODAYA DENTAL COLLEGE AND HOSPITAL, raichur, with the teaching experience of 15years.He has carried out 6 research projects, and has got various Publications in many journals. The program highlighted about the merits and need of imaging in periodontics as the imaging forms an integral component for diagnosis of dental and in specific periodontal diseases. To date, intra-oral radiographic techniques are the main non-invasive diagnostic aids for the detection and assessment of internal changes in mineralized periodontal tissues like alveolar bone. Total no.of faculty attended was 33. All the participants were awarded with certificates.

**Event report**

**DATE: 28-07-2020**

**TITLE: "ALIGNERS AN ADVANCE IN ORTHODONTICS"**

**PROGRAM SUMMARY-** The professional development program titled "Aligners an Advance in Orthodontics" was conducted on 28/07/2020 in Navodaya dental college Raichur. The speaker for the program was Dr Sugareddy. MDS, working as Prof. & HOD- Department of Orthodontics, NAVODAYA DENTAL COLLEGE AND HOSPITAL, Raichur. Worked as a member of UG board of study from 2009-2011 and as a member of PG board of study from 2018-2020. Attended various national and international level conferences with many paper presentations. He has published various articles and case reports in many journals. The speaker addressed the program by explaining the significance of esthetic appliances. The increase in the number of adult orthodontic patients has prompted an upsurge in the demand for esthetic and comfortable alternatives to conventional fixed appliances. The participants clarified their doubts about the cases with the speakers. Total no. of faculty attended was 37. All the participants were awarded with certificates.

## Event report

**DATE:** 12-04-2020

**TITLE:** "SELF DISCIPLINE"

**PROGRAM SUMMARY-** The program titled "SELF DISCIPLINE" was conducted on 12-04-2020 in Navodaya dental college Raichur. The speaker for the program was **Dr SOMNATH REDDY K, MDS**, Reader- Department of Public Health dentistry, NAVODAYA DENTAL COLLEGE AND HOSPITAL with teaching experience of 6 years 8 months. Publications-5 in various national/international conferences. Attended various national/international conferences with paper/poster presentations. The significance of Self-discipline in life as well as workplace was highlighted. Speaker explained that Self-discipline allows to stay focused on goals. It enables to stay in control of one's own self. Self-discipline is like a muscle: the more it is trained, the stronger the person becomes. Lack of self-discipline can cause low self-esteem. The participants were enthusiastically involved in interactive session.

Total no.of staff attended was 36. All the participants were awarded with certificates.

**CERTIFICATES:** certificates enclosed.

**Event report of Professional development program**

**DATE: 06-02-2020**

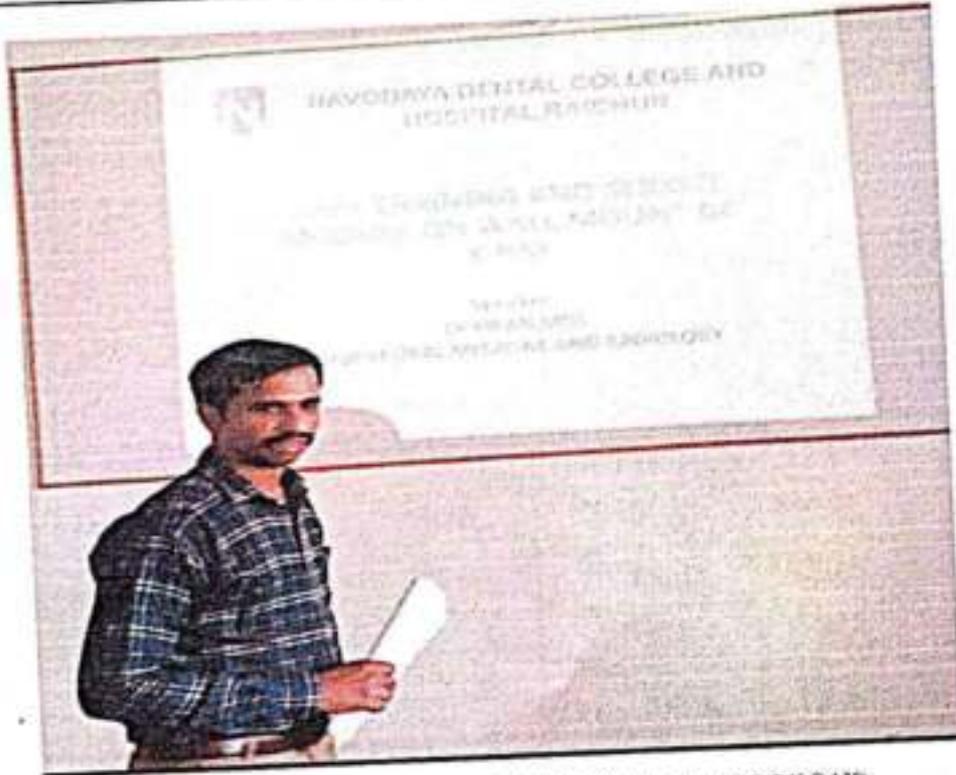

**TITLE: "USER TRAINING ON WALL MOUNT DC X-RAY"**

**PROGRAM SUMMARY-** The professional development program titled "Precancerous Lesions" was conducted in Navodaya dental college Raichur. The speaker for the program was Dr Kiran kumar MDS, at GOVT DENTAL COLLEGE BANGALORE under RGUHS UNIVERSITY in the year 2006, B.D.S at BAPUJI DENTAL COLLEGE & HOSPITAL DAVANAGERE Under RGUHS University in the year 2004, Working as Prof. - Department of oral Medicine and Radiology, NAVODAYA DENTAL COLLEGE AND HOSPITAL with teaching experience of 8 years. He has various National/international scientific publications

The program was found to be very informative as the speaker discussed and trained the participants about wall mount x ray unit. Special attention should be drawn to beam-aiming devices, rectangular collimation, the section of the X-ray receptor, focus-skin distance, and backscatter shielding, and that the unit delivers reproducible dose over the full set of environmental conditions. Total no.of faculty attended was 17. All the participants were awarded with certificates.

**Event report of Professional development program**

**DATE: 03-12-2019**

**TITLE: "PRECANCEROUS LESIONS"**

**PROGRAM SUMMARY-** The professional development program titled "Precancerous Lesions" was conducted on 03/12/2019 in Navodaya dental college Raichur. The speaker for the program was Dr Prashanth Patil, MDS, Working as Prof. & HOD- Department of oral Medicine and Radiology, NAVODAYA DENTAL COLLEGE AND HOSPITAL with teaching experience of 19 years 6 months. He has got 31 National/international scientific publications and 5 scientific paper presentations at national conferences. He is an editorial board member of **Journal of oral sign and Dental practice and medical sciences**. Organised 4 CDE events and 2 National level workshops in the subject of oral medicine diagnosis and radiology. The program was found to be very informative as the speaker discussed about the lesions involving abnormal cells which are associated with an increased risk of developing into cancer. Clinically, precancerous conditions encompass a variety of conditions or lesions with an increased risk of developing into cancer.

Total no. of faculty attended was 37. All the participants were awarded with certificates.

## Event report

**DATE:** 05-02-2020

**TITLE:** "STAFF MOTIVATION STRATEGIES"

**PROGRAM SUMMARY-** The faculty development program titled "STAFF MOTIVATION STRATEGIES" was conducted in Navodaya dental college Raichur. The speaker for the program was Dr SOMANATH REDDY, MDS, Reader- Department of Public Health dentistry, NAVODAYA DENTAL COLLEGE AND HOSPITAL with teaching experience of 6 years 8 months. Publications-5 in various national/international conferences. Attended various national/international conferences with paper/poster presentations. The speaker briefed about motivation which is a **key to an organisation's success**. It's the level of commitment, drive and energy that a company's workers bring to the role everyday. Without it, hospitals experience reduced productivity, lower levels of output and will fall short of reaching important goals too. Total no. of participants attended was 15. All the participants were awarded with certificates.

## **Event report of Professional development program**

**DATE: 04-07-2018**

**TITLE: "ARTICULATORS IN PROSTHODONTICS"**

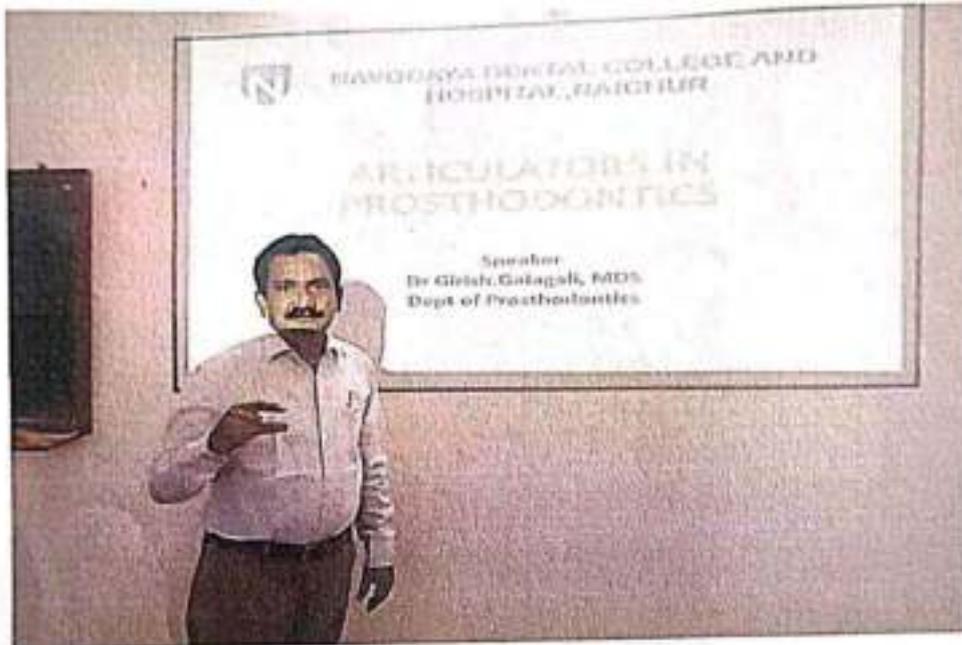

**PROGRAM SUMMARY** - The professional development program titled "Articulators in Prosthodontics" was conducted on 04/07/2018 in Navodaya dental college Raichur. The speaker for the program was Dr Girish Galagali, MDS, currently working as Prof.& HOD- Department of Prosthodontics, NAVODAYA DENTAL COLLEGE AND HOSPITAL, Raichur. Presented Scientific case report at National Prosthodontics Conference at Chennai 1998. Published Scientific Research Article in National & International Journal. Conducted many Hands-on Course for Dental Students. Attended many National & International Conferences and CDE Programmes. Member Editorial Board Journal of RGUHS (Dental).The program emphasized on the various articulators available in market today, some are very complex and some are very simple in their use and adjustments. The articulator to be used depends on preference of dentists. The participants were involved in discussion and helped themselves in understanding the articulators and their deficiencies, which can compensate for their inherent inadequacies.

Total no.of faculty attended was 41. All the participants were awarded with certificates.

**CERTIFICATES:** certificates enclosed.

## Event report

**DATE:** 17-09-2018

**TITLE:** "EQUIPMENT MAINTENANCE"

**PROGRAM SUMMARY-** The program titled "EQUIPMENT MAINTENANCE" was conducted on 17-09-2018 in Navodaya dental college Raichur. The speaker for the program was Dr Zaheer Ahmed, MDS, Reader- Department of Public Health dentistry, NAVODAYA DENTAL COLLEGE AND HOSPITAL with the teaching experience of 6 years. Published 7 articles in national/international journals. Presented paper/poster at various conferences. He has conducted many team-leader national health programs. He explained the significance of equipment maintenance. The staff were benefitted by gaining the knowledge about equipment maintenance-By ensuring that equipment is properly maintained, the element of surprise in the form of machine failure is virtually removed from the facility. Regular servicing of equipment, and ensuring that worn machine components are addressed early, not only extends the life of the machine, but also stops the risk of rework or scrap product caused by the production of out-of-spec material.

Total no. of participants attended was 36. All the participants were awarded with certificates.

**CERTIFICATES:** certificates enclosed.

**TITLE:** "CBCT IN IMPLANT DENTISTRY"

**PROGRAM SUMMARY-** The professional development program titled "CBCT IN IMPLANT DENTISTRY" was conducted on 24/07/2017 in Navodaya dental college, Raichur. The speaker for the program was Dr Girish Galagali, MDS, currently working as Prof. & HOD- Department of Prosthodontics, NAVODAYA DENTAL COLLEGE AND HOSPITAL, Raichur. Presented Scientific case report at National Prosthodontics Conference at Chennai 1998. Published Scientific Research Article in National & International Journal. Conducted many Hands-on Course for Dental Students. Attended many National & International Conferences and CDE Programmes. Member Senate RGUHS, Bengaluru 1998. Member Editorial Board Journal of RGUHS (Dental). The aim of the program with this topic was to present a narrative review providing support for the hypothesis on using CBCT for oral implant planning and to attempt formulating recommendations for justified and optimized CBCT imaging. All the practitioners were benefitted with this program as the requirements for optimized use of CBCT and the related limitations were presented including a maximized use of available 3D CBCT data.

Total no. of faculty attended was 43. All the participants were awarded with certificates.

**Event report of Professional development program**

DATE: 11-01-2017

TITLE: "Symposium on mercury free dentistry"

PROGRAM SUMMARY- The professional development program titled "Symposium on mercury free dentistry" was conducted on 11/01/2017 in Navodaya dental college Raichur. The speaker for the program was **Dr Ashwini M Patil, MDS from HKE's Dental College in the year 2011. BDS from HKDET in the year 2005**, working as reader in Department of conservative and endodontics, NAVODAYA DENTAL COLLEGE AND HOSPITAL, Raichur, with the clinical experience of 11 years. She has many publications and presented papers in national conferences. The speaker introduced and described about Mercury-free dentistry which is a viable option for those concerned about the use of amalgam in dental fillings. Amalgam, though used less often than it once was in the past, is still a common material used to fill cavities. It consists of a combination of metals that include mercury. Total no.of faculty attended was 17. All the participants were awarded with certificates.
